

**THE BREAKING OF BREAD**

Surprisingly, glorious Jesus, making His own understand the realism of his presence, asked to eat. "While the eleven disciples were at the table, He appeared to them" (Mk16: 14). " And it happened that, while he was with them at table, he took bread, said the blessing, broke it, and gave it to them..." "With that their eyes were opened and they recognized him..." (Lk 24, 30-31). " While they were still incredulous for joy and were amazed, he asked them: "Have you anything here to eat?" (Lk 24, 41 -42) "Jesus tells them: 'Come and eat'." And none of the disciples dared to ask him, "Who are you?" because they realized it was the Lord. Then comes Jesus, takes the bread and gives it; and similarly the fish. "

This was now the third time Jesus was revealed to his disciples after being raised from the dead. (Jn 21, 12-14)
